

4 March 1977

Dear Bill:

Upon my return from Europe, I was delighted to find your thoughtful message of 24 February on my desk. You may be sure that I am looking forward to the challenge here. Concerning my need for a Chaplain, I am told we do not have a billet on the current table of organization. Nevertheless, I hope I can count on your prayers.

Yours,

A handwritten signature in cursive script, likely belonging to Stansfield Turner, written in dark ink.
